#### To Program Motorola Remote w/ Device Code:

1. Look up the device you want to control in the device code list
2. Press and hold a device key (TV) for at least 6 seconds (LEDs for each device key light up, then the LED for the device you selected remains on)

3. Enter the 4 digit code. The device key LED turns off briefly after each key press

Note: You have 10 seconds to press each digit. If it takes longer than that, the remote “times out” and you must begin again.

4. If the remote recognizes the code, the device key’s LED blinks 3 times. You can now test the remote by Pressing POWER. If your device responds, you have found the correct code. If the device does not respond repeat Steps 2-3 with the next code on the list...

#### Searching for Device Code:

1. Press and hold a device key (TV) for at least 6 seconds (LEDs for each device key light up, then the LED for the device you selected remains on)
